

Rabies vaccine- supply

Rabies vaccine- supply

If rabies vaccine is required for pre-exposure immunisation for those at occupational risk and bat handlers, it is supplied by the DH and should be obtained from the following source at no charge, rather than on an FP10:

- Public Health England laboratories Colindale
- Telephone details
- 0208 200 6868 or 0208 200 4400
- Select- Option 1 - Colindale
- then
- Option 2 – Rabies enquiries

This is the only vaccine where this service is in place; other vaccines which may be required for occupational health are the responsibility of the employer to provide.

Rabies vaccine is not available on the NHS as a routine vaccination for travel
