

Qufora Mini and Qufora Bed Systems - Appearance on EMIS and VISION GP Prescribing systems

Qufora Mini and Qufora Bed Systems were approved by the East Kent Prescribing Group in October 2014 for inclusion in the East Kent Formulary. Specialist Bladder and Bowel nurses working for Kent Community Health NHS Trust will request that GPs write prescriptions for these products. Please ensure that care is taken when selecting the product from the list on the prescribing system. The approved products are listed below as they appear on the prescribing systems.
